Cast Pewter Collar Demonstration

The January meeting demonstration featured Bob Roehrig demonstrating how to do a Cast Pewter Collar. Cast Pewter collars can be used for embellishment on most hollow forms and do make a piece standout. A nicely turned finial adds the finishing touch. If you missed the meeting and want some information on the technique, please go to the club's web site and click on "[Resources](#)". Also on YouTube is some great demonstrations that are fun to watch and very educational in the process.
