PRW President's April '21 Notes...

Hope you took the opportunity to join the April Zoom meeting for Frank Didomizio's live demo, or watched the video if you couldn't see it in person!

So what do you think. PRW Members – Is it too soon to begin planning for an in-person June meeting? Seems like those who want the vaccine are able to get them, and daily life is showing small signs of a return to small gatherings.

We'll need to get our “lineup” set for meeting demonstrators and active volunteers, so please consider how you can help us get the PRW “back in the swing of things” !

In order to meet in person at the Cultural Center, we must switch to daytime monthly meetings. As they have no idea when they will once again be open in the evenings. Negotiations are underway, and we'll keep you posted...

Plans are also underway for the Winter National Wood Art Expo in January '22 at the Harbor Convention Center, featuring woodcarving and woodturning. PRW Member Lou Currier, a new addition to our club last year, has graciously volunteered to take on the organizational tasks. We'll get more information at the May Zoom meeting!

PRW May Meeting - Thursday, MAY 6th - 6:30 Online via Zoom

Watch for the invitation in your email the weekend before the meeting with all the Zoom details, where you can CLICK on the ZOOM LINK to join us electronically on that Thursday. IF YOU ARE NOT YET AT EASE USING THE ZOOM PROGRAM, please give me a call at least a few days before the meeting, and I will try to help you gain more comfort with the software. **There's too many good things you are missing if you're not joining in!**

We appreciate your continuing support and involvement in the PRW. Stay safe and healthy, keep trying to schedule your C-19 vaccination if you don't have it yet, and have fun turning whenever you can!

The Silver Fox Tips from experience...

Got a jar or container you can't open? Run the lid under hot water for about 30 seconds. Dry it so you can get a good grip, then open... It really works!

One day you're young and fun. Then suddenly, you're turning down the car radio so you can see better...

I was gonna start a garden, but I couldn't find BACON seeds...
