## The Paul Bartlett way

The December meeting demonstration was given by Paul Bartlett on a different way to do segmenting. Most have never heard of this, so if you want to learn more after seeing Paul's demonstration you will have to do some research out on the internet. The information is there. Looking on YouTube I have found 5 video's explaining the process.

## **2019 Dues**

It's that time of year again and the club Treasurer will be collecting dues for the 2019 calendar year.

Dues help to pay our Cultural Center Room rent, repair equipment, purchase new equipment and provide quality demonstrations on a professional level to club members.

Please try to take care of this by the first of the year....THANKS
